America's Remote Help Desk Enjoys Unprecedented Growth

Eldersburg, Maryland – November 8, 2010 - America's Remote Help Desk (ARHD) has announced the addition of ten new employees since July, representing an astonishing 36% increase in staffing in just four months. In response to the company's significant number of new clients, a complement of additional help desk, networking engineering and project management staff has been hired to ensure that exceptional client support and service continue without interruption. Focusing on continued growth, ARHD also added a seasoned IT sales representative and a technical recruiter to its staff.

"These skilled professionals bring talent and enthusiasm to our team," said ARHD president and CEO Rich Rubinstein. "Being able to grow smartly without compromising our existing clients has been a core principal since our inception. ARHD is happy to have all of these new employees on board as we continue to gain momentum in the marketplace as a leader in IT consulting solutions"

About ARHD: America's Remote Help Desk (ARHD) provides outsource Help Desk support, Infrastructure Management services and cloud computing solutions. ARHD's range of services provides an ideal solution for companies of all sizes and organizational structures. They focus on planning, developing, implementing and maintaining an organization's networks. For additional information, visit www.arhd.com or call 410-727-8330.
