**HR Construction Group Chooses America's Remote Help Desk**

---

*Eldersburg, Maryland* – August 16, 2010 - America's Remote Help Desk (ARHD) is pleased to announce their entry into a business relationship with Humphrey Rich Construction Group (HR Construction Group), a growing, full-service general contractor located in Gaithersburg, Maryland. HR Construction Group delivers a full range of exceptional building solutions to their clients throughout the mid-Atlantic region.

ARHD will be providing HR Construction Group with Help Desk support for its end-users, as well as Infrastructure Management support and IT consultation services, yielding a complete, custom IT solution based on specific client needs.

"We are very excited about our new business relationship with HR Construction Group," stated Rich Rubinstein, ARHD President and CEO. "We continue to align ourselves with premier companies who make a difference in their field. Our ability to provide progressive technology and offer a strategic initiative to IT allows our clients to focus on their core business initiatives and continue to advance in their area of expertise."

*About ARHD: America's Remote Help Desk (ARHD) provides outsource Help Desk support, Infrastructure Management services and cloud computing solutions. ARHD's range of services provides an ideal solution for companies of all sizes and organizational structures. They focus on planning, developing, implementing and maintaining an organization's networks. For additional information, visit [www.arhd.com](http://www.arhd.com) or call 410-727-8330.*
